

Living Well OUTSIDE the Land of Three Car Garages

Living Well in the Home You Have

Can a modern family be happy in an old house
with a one-car garage and no single room large enough for a big screen tv?

A panel discussion with Dimension IV-Madison architect **Ray White**,
MSB Energy Associates home energy expert **Niels Wolter**,
City of Madison building and zoning official **Matt Tucker**,
moderated by Four Lakes Group Conservation Chair **Kate Blumenthal**.
