

Westmorland Block Captain Roster

Block Captains are a critical link for Westmorland residents. Block Captains hand deliver *The Courier*, distribute and collect annual Membership Drive materials, and welcome new neighbors. Block Captains also keep the rest of the neighborhood informed about births, deaths, weddings and other news by passing along such information to *The Courier* editors.

If this list is out of date for your block, contact the Block Captain coordinator (see the latest *Courier* for contact information) to determine who your Block Captain is.
